

BINS 4 Blokes

[FACT] 1.34 million Australian boys and men experience incontinence

These toilets have a disposal bin available for incontinence products for boys and men who need them.

Continence
Foundation
of Australia

If you experience incontinence and want to learn more about how to manage it, contact the **National Continence Helpline** on **1800 33 00 66** or at helpline@continence.org.au.
